I wrote my last query on 19/08/24
and now date is 24/8/24.

11

I was occupied with another
task, but it was only a matter
of one questions that I couldn't
complete.

This is my fault. this is called
procrastination, good habit takes
time to build, but bad habit
always comes ahead to distract
you.

5

From 25/8/24, my first task will
be the one SQL question, and
I'm not going to rush through it.

6

I will cover only ^{intermediate} question from
basic to advance in detail.

~~But~~ I'll meet you soon.
